

THE DISTRICT SERVICE COMMITTEE MEETING

The District Service Committee Meeting is where all the business of the district is discussed, all subcommittee reports are given, and all group problems are addressed. The meeting is open to all MA members. There are three levels of participants at most District Service Committee Meetings: GSRs, which have been previously discussed in this Service Manual; District Officers, which include the Chairperson, Vice Chairperson, Secretary, Treasurer, and subcommittee Chairpersons; and individual MA members that wish to attend.

DISTRICT OFFICERS

The District Officers are responsible for administering the general business of the district. Great care should be taken in selecting the people who serve in the capacity of Chairperson, Vice Chairperson, Secretary, and Treasurer. Our trusted servants should demonstrate the ability to serve as an example to others. The district officers should have at least one year clean and sober time, significant District Service Committee background, and a working knowledge of the Steps, Traditions, and Concepts. The suggested length of term is one year.
