

STEERING COMMITTEE

Many groups feel that a Steering Committee is essential to the welfare and growth of the meeting. The committee is usually made up of past officers and concerned members. The committee represents a cross-section of the group, and its chief function is to advise and aid selected trusted servants in business and policy matters for the meeting.

PLEASE REMEMBER:

1. All people with commitments should attend steering committee meetings. Steering committee meetings are for the group's business only, and are held at a different time than the regular meeting.
2. All people with commitments should find someone to fill in if they cannot make the meeting.
3. Our leaders are but trusted servants; they do not govern.
